Dear Parishioner,

There is something that we would like to ask you to consider that could help significantly improve our parish finances. It relates to not how much you contribute, but rather, the way in which you contribute.

The solution that we feel best meets our needs is an automated method called Electronic Fund Transfer, (EFT), which transfers your contribution offering from your checking or saving account to St. Al's account.

What will EFT do for you?

- ~ No more check writing.
- ~ No more remembering your envelope.
- ~ No more looking for the correct currency.
- ~ Automated record keeping.

What will EFT do for St. Al's?

- ~ Your offering arrives even when you are not able to attend mass.
- ~ You help us simplify our record keeping.
- ~ We are better able to plan and budget.

Once you have signed up for EFT, you will no longer need envelopes except for special second collections.

If your financial situation changes, you may change or stop your payment at any time by calling the parish office.

To sign up for EFT, please complete an EFT form and return it by mail or drop it in the collection basket. When we have received your form, we will call you to verify the information on the form.

Your offering may be transferred once or twice a month. Please enclose a blank voided check if transferring from your checking account. There are no fees for using EFT.

If you have any questions, please call the Parish Office at 630-257-2414.

Peace,

Fr. Brian Ardagh
